

Press Release for Vada

Restricted Access

Satanta District Hospital & Satanta Long Term Care will be on Restricted Access effective immediately, beginning Friday, March 13th. This process is to protect our patients, staff members, and visitors.

Entry and exiting is limited to our EAST ER ENTRANCE only.

Staff will screen everyone who enters the facility by asking a list of precautionary questions regarding their health status and their temperature. Visitors will not be allowed at this time.

Share the Love

You can now send messages of encouragement, community support, stories, love, etc. to all patients and residents at our facility. We have a designated caregiver on our team that will make sure your loved one receives your message and is read to them if needed.

You can send these to sharethelove@satantahospital.org

Please put the name of your loved one in the "SUBJECT" line so we know who should receive your message.

If it's a generic message to all residents/patients please put "LTCU" or "ACUTE" in the subject line.

Curb Side Assistance Pharmacy

In an effort to promote social distancing at this time, our Satanta Retail Pharmacy is offering curbside assistance for your convenience.

Please call in advance to discuss your needs and payment:

620-649-2450. If utilizing curbside assistance, please drive up to the Pharmacy entrance after calling.
